 - 9.3. if the vehicle is a total loss or was stolen, LHV has the right to reduce the insurance indemnity paid by the insurance premiums to be paid by the end of the current insurance period and not paid by the time of the indemnity decision, regardless of whether the insurance premium payment date has arrived and to whom the insurance indemnity is paid.

 - 9.4.5. LHV is not responsible for the method of restoration of the insured vehicle or for the quality of the restoration, unless the restoration is performed by a partner designated by LHV;
 - 9.4.6. if the policyholder applies for financial compensation but does not submit expense documents confirming the restoration of the insured vehicle, the amount of loss shall be deemed to be 65% of the cost of the restoration accepted by LHV;
 - 9.4.7. if the policyholder does not wish to repair the insured vehicle at the repair shop recommended by LHV and the owner of the vehicle consents to this, the policyholder has the right to demand monetary compensation in an amount of damage LHV considers reasonable.
 - 9.5. Reimbursement of the costs of repurchase of the insured vehicle is subject to the following conditions:
 - 9.5.1. in the event of total loss, car theft, UTMV or carjacking of the insured vehicle, the justified cost of repurchasing the vehicle shall be indemnified based on the market price of the vehicle in Estonia immediately before the insured event;
